Dress Code Policy	

No dress code can cover all contingencies, so employees must exert a certain amount of judgement in their choice of clothing. If you are unsure if a piece of clothing is appropriate, don't wear it.

- A) Business and denim casual are the general standards of this dress code policy.
- B) Clothing must fit properly, i.e. clothing should not reveal your cleavage, stomach, back, or underwear.
- C) Employees should be well groomed.
- D) Skirts, skorts, and shorts must be at least finger length or longer.
